Welcome to the Goldfins' pre competitive "**I CAN SWIM**" PROGRAM. The I Can Swim program is designed to be a learner centred approach to swimming; allowing for individual development while swimmers progress at their own rate.

Once you have registered in a class, please note the time, location, and level in which you have placed your child. This will save time at the beginning of each session. Also, please be certain of the class and time in which you have registered your children. Swimmers will only be moved if they have been placed in an inappropriate level and then only with the consent of the coaches. In the end, the program co-ordinators will have the final say. Please respect the knowledge of the coaches and allow them to do their jobs without interfering in the classes.

I CAN SWIM LEARNING STAGES

<i>Gold Tot and Parent</i>	<i>Stage 1</i>	<i>Stage 2</i>	<i>Stage 3</i>
Water Comfort (30 minute classes)	Water Orientation (30 minute classes)	Skill Development (45 minute classes)	Skill Improvement (60 minute classes)
This stage is learning to be comfortable in the water & learning to move in it. The class is directed to the child and the adult needs to be in the water to assist their child perform skills.	This stage is focused on learning to float and beginning movement in the water pertaining to length swimming.	Focuses on the basic movements and orientation ability needed for all 4 competitive swimming strokes.	Improves all four strokes & increases fitness, technique, and endurance.

REGISTERING GUIDELINES

To register in Gold Tot and Parent, swimmers need to be at least 3 years old. Stage 1 swimmers should be 4 to 5 years old. Please refer to the following chart to determine which "I Can Swim" stage your child should be registered in.
